

REMARKS

Applicant respectfully requests Petition for Revival of the present application. An improper RCE was filed on December 2, 2002. Applicant had intended to file a CPA which does not require filing a response to any outstanding office action. Since a CPA had been filed on September 28, 2001, the PTO treated the second CPA filed on December 2, 2002 as a RCE which requires filing a response to any outstanding office action.

35 U.S.C. §102(b)

The variety 'Bernini' was first sold in October 1997 in the Netherlands, however there can be no basis for a rejection under 35 U.S.C. § 102(b). Even though 'Bernini' has been described in a printed publication, these publications did not enable production of 'Bernini' since they do not provide a method of making 'Bernini'.

Requirement for Information Under 37 CFR 1.105

With respect to the requirement for information under 37 CFR § 1.105 regarding sale or other public distribution of the claimed plant variety anywhere in the world, the variety 'Bernini' was first sold and made publicly available in October, 1997 in The Netherlands. Copies of the published notice of application, denomination and registration for 'Bernini' in the Netherlands are attached hereto.

The Commissioner is hereby authorized to charge any additional fees which may be required regarding this application under 37 C.F.R. §§ 1.16-1.17, or credit any overpayment, to Deposit Account No. 19-0741.
